**Attention: Official Draftsman**  
Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

Enclosed for filing with respect to the above-referenced application, please find 1  
sheets of new formal drawings having FIGS. 1 and 2 thereon to be substituted for the drawings  
presently on file in this application. It is believed that the drawings submitted are in  
conformance with the requirements set forth in 37 C.F.R. §1.84. These new formal drawings

are transmitted in conformance with the requirement for new drawings set out in the Notice of Allowability on this application that was mailed on January 29, 1999. FIGS. 3-6 have been rejected on the basis that no Petition to Accept Photographs has been granted. In a separate paper, the Commissioner has been requested to act on the Petition, filed at the time of the application, requesting acceptance of the Photographs. Applicant believes no new matter has been added by these formal drawings.

It is requested that applicant's undersigned attorney be notified of any further or additional requirements with respect to the enclosed formal drawings.

Respectfully submitted,

A handwritten signature in cursive script, reading "David R.J. Stiennon". The signature is written in dark ink and is positioned above a horizontal line.
